

POPCS Students, Families, Alumni, Teachers, Staff & School Board

Show us how our POPCS Eagle Nation is serving others during COVID-19

During this time of shelter-in-place and local need, it is important for POPCS to continue to live our mission of "equipping students as disciples for service and success." Many of our students continue to provide acts of kindness for their families and others while at home. We want to highlight these activities and encourage more, "**LOVE in Action: POPCS Families Doing for Others,**" moments from our POPCS community. We can ALL (POP Eagles big and small) do something to help others.

We are introducing a new POPCS community program, **LOVE in Action: POPCS Families Doing for Others**. Starting this Friday and every Friday, we want to celebrate and share what you are doing for others. There are so many wonderful ideas and opportunities for service during this time. Every Friday, please share a picture of your "**LOVE in Action**" service on our POPCS Facebook page, Facebook divisional group page, Instagram, Twitter, or Edmodo and tag Prince of Peace Christian School. We encourage you to share your post on your personal social pages as well.

Each time students "post" an action on POPCS social media or Edmodo, they will be included in a special drawing on Monday, May 25. Your post will inspire and give other POPCS Eagle families ideas on how to serve neighbors, family, friends, and community during this stay-at-home period.

Additionally, **LOVE in Action: POPCS Families Doing for Others** wants to hear from POPCS families, POPCS alumni, POPCS teachers, staff, and School Board. If your job has placed you on the frontline of service to others during this pandemic, post a picture of you or your company "on the job" so we can honor you as well. Examples of jobs might be a healthcare worker, first responder, delivery service, grocery store worker, pastor, senior living worker, non-profit volunteer, among others.

We hope you will join the POPCS community in sharing all the beautiful and creative ways you are serving others. POPCS is truly a community of God's **LOVE in Action: Doing for Others**.
